Description

Parkhurst Stake Rack truck bodies are easy-to-use, tough and durable. They provide easy loading and secure hauling for all your commodity transportation needs. The Stake Racks are extremely versatile and used in a variety of applications and industries. Applications include plumbing supplies, hardware, lumber, and heating and cooling--just to name a few.

Complete with side racks, rear racks, and a front bulkhead with a full-width screen window. Our Stake Rack truck beds are available with steel or wood slats and in 30", 40", or 50" heights. Rear and center swing gates are standard and include heavy-duty spring-loaded latches, to provide years of trouble-free service.

Since 1946, Parkhurst has been designing and manufacturing the best truck equipment in the world. Parkhurst products offer dependability and quality at a fair price.
